The library will be open regular hours during the summer months. Stop by for coffee or a cold drink.

2023

SUMMER PROGRAM

In 2023, our program is going to be a bit different. It will be open to ALL ages, with mandatory parental participation for children under 5.

We have decided to work on projects that coincide with the Rochester Fair Bench Show, which will occur August 11/12. With parental permission, the projects will be entered into the bench show to be judged and viewed during the Saturday of the fair. After that, the projects will be yours to keep.

A different activity is planned for every Thursday throughout the summer. You are not obligated to participate in all the activities; however, we would love to see you when you can attend.

There are also other activities that our library system has planned, as well as challenges within the library for a chance to win some prizes. Again, these are all optional fun activities.

This is meant to be a FUN summer program. Participate when you can and visiting family or friends are welcome to join in the fun!

Please contact the library if you have any questions.
